

One of the instruments that the band, *Island Breeze*, plays is
The Steel Drum.

The drawing above shows where the notes are located on this type of drum.

If you wanted to play *Twinkle Twinkle Little Star*,
these are the notes you would play:

C C G G A A G F F E E D D C

Practice here by clicking on those letters with your mouse
make sure you hit the letters without the #

When you are ready to play for real
open a new window or tab on your browser and type in the website address below.

Ask your parents for help.

A page will open that has a drum - just like the one above - but when you click with your
mouse it will play the notes.

Play *Twinkle Twinkle Little Star* or make up your own song.
Make sure your sound is on - and have fun!
